#### Project Description

The City of Foster City wishes to construct a new sheet pile bulkhead wall along an area in Catamaran Park. The park is located at the corner of Shell Blvd and Catamaran St in Foster City. The new wall will reach approximately 225-feet along the edge of the lagoon. The exposed face of the wall will range from about 2-feet to about 4-feet in height, with a cap member along the top edge. The depth of

sheets will be an additional 11-foot into the bay-mud. The backfill behind the wall will be level and create addition park surface area. The sheet piles will include tie backs of 24-feet extending back to buried deadmen. The deadmen will be sheet pile plates.

City/District will permit the successful bidder to substitute securities for any retention monies withheld to ensure performance of the contract, as set forth in Document 01150, Contract Payments and incorporated herein in full by this reference, in accordance with Section 22300 of the California Public Contracts Code.

Bidders may obtain Bidding Documents from the Project Manager's Office after August 5, 2008. City/District will charge **\$35.00** for each set of Bidding Documents, and will accept checks or money orders payable to City/District as payment for them. If requested, said documents will be mailed upon receipt of a **\$45.00**, non-refundable charge for each set of Bidding Documents. If any check is returned without payment for any reason, City/District will impose a \$10.00 returned check fee. For information pertaining to the Bidding Documents, please contact **Brian Chan**, Project Manager, at **(650) 286-3282** or the Public Works Engineering Office at (650) 286-3270.

Bidders are solely responsible for the cost of preparing their Bids.

City/District specifically reserves the right, in its sole discretion, to reject any or all Bids, or re-bid, or to waive inconsequential defects in bidding not involving time, price or quality of the work.

**NOTICE** is hereby given that by Resolution of the City Council/Board of Directors that the latest general prevailing rate of wages as determined by the Director of Industrial Relations, State of California, Department of Industrial Relations is to be paid to the various craftsmen and laborers required to construct said improvements and is made a part of the Specifications and Contract for said work to which reference is hereby made for further particulars.
