**Project Description:** Construct structural modifications to R-Line Stations (El Cerrito Plaza Station, El Cerrito Del Norte Station). The work consists predominantly of seismic retrofit including: (i) augmentation with reinforced concrete of existing reinforced concrete footings and existing reinforced concrete overhead girders, (ii) fiber wrapping of existing hexagonal concrete columns with fiber-reinforced polymer column casings, and (iii) other associated work including but not limited to selective demolition, excavation, shoring, backfill, paving, restoration, cleaning, non destructive location and identification of reinforcing and utilities embedded in concrete, video survey of drain piping interior surfaces, preservation of electrical, civil and mechanical utilities, and potentially minor amounts of lead paint and asbestos abatement. The estimated value of this contract is \$11,000,000 to \$14,000,000.

**Subcontracting opportunities** may include, but are not limited to, the following major types of work: surveying, reinforced concrete, demolition, excavation, shoring, backfill, paving, and restoration. Please review project plans and specifications for additional opportunities. Please let us know you are interested in bidding this project. Plans and specifications are available for viewing in our plan room at 200 Parr Blvd., Richmond, CA. or by calling BART District's Senior Contract Administrator, Leo Lawhorn, at telephone number (510) 464-7546.

We encourage bids from all Subcontractors/Suppliers including UDBe/MBE/WBE/DBE/DVBE bidders. We are an equal opportunity employer. We offer to assist you with bonding, credit, and insurance. We are signatory to both Carpenters and Laborers. Subcontractors will be required to sign the Overaa Standard Subcontract Agreement, which includes the right for Overaa to require subcontractors to furnish a faithful performance and labor bond, in a form and from a surety acceptable to Overaa, in the amount of 100% of the Subcontract price. Subcontractors will be required to comply with all subcontract insurance requirements, which includes providing a waiver of subrogation endorsement to their worker compensation insurance. The Overaa Standard Subcontract Agreement is available for viewing at our website: [www.overaa.com](http://www.overaa.com).
