

Project No. 0C21

**ADVERTISEMENT FOR BIDS****YMCA COUNSELING ENTRANCE AND  
RESTROOM ADDITION  
REDLANDS, CALIFORNIA**

Notice is hereby given that the Architecture & Engineering Department on behalf of the Board of Supervisors of the County of San Bernardino, California, will receive sealed bids on or before 3:00 p.m. on July 13, 2010, in the office of the Architecture & Engineering Department, 385 North Arrowhead Avenue, Third Floor, San Bernardino, CA 92415-0184, at which time they will be publicly opened and declared for YMCA Counseling Entrance and Restroom Addition in Redlands, California.

A mandatory Pre-bid Meeting for prospective bidders will be conducted on June 23, 2010 at 10:00 a.m. at 500 E. Citrus Ave, Redlands, CA, 92373. Bids submitted by firms who have not participated in the Pre-bid Meeting will be disqualified.

State Contractor's Class B License is required to bid the project. If the bidder does not list a licensed subcontractor(s) under the Designation of Subcontractors section of the Bid Proposal to perform work in any of the following trades, in order to be found responsive and in order to perform that work himself/herself, the bidder must possess the State specialty license for that trade: Electrical (C-10); Plumbing (C-36); Mechanical (C-20); and Fire Protection (C-16). Construction estimate is \$90,000.

The Bid Documents, including final plans and specifications are available on electronic media (CD) at no cost to the bidder and may be obtained from the Architecture & Engineering Department.

No bid may be withdrawn after the scheduled bid opening, or within sixty (60) days thereafter.

Copies of the prevailing wage rates are on file at the Office of Architecture and Engineering Department and shall be made available to any interested party on request. Copies are also included in the Bid Documents.

The Board of Supervisors reserves the right to reject any or all bids, to waive technical errors, discrepancies or informalities of a bid not affected by law, if to do so seems to best serve the public interest.

For information regarding this project, contact Larry Herkelrath, Project Manager, at (909) 387-3165. DO NOT CONTACT THE DESIGN CONSULTANT. All technical questions to be

submitted to the Project Manager in writing. No questions will be answered within seven (7) calendar days of the bid opening.

CARL ALBAN, Director  
Architecture & Engineering Department

C51416, will be received by the Department of Water Resources, 1416 Ninth Street, Room 418, Sacramento, California 95814, not later than **2:00 P.M. on WEDNESDAY, JULY 14, 2010**, at which time they will be publicly opened and read at an announced location in the vicinity of such office.

Bid forms for this work are included in a separate booklet titled BID FORM. Bids will be considered only if submitted for all the work required for the above project. The work is defined in Section 01110 Summary of Work, and includes but is not limited to the following principal features:

1. Manufacturing, testing, and delivering three energy dissipating valve assemblies including electric actuators to San Bernardino Valley Municipal Water District (SBVMWD) Operations Center, 397 W. Chandler Place, San Bernardino, California 92408-2014,
2. Manufacturing, and delivering special tools and spare parts for energy dissipating valve assemblies and for electric actuators to SBVMWD Operations Center,
3. Providing the following services: a. Crane services to unload the equipment at delivery location, b. Services of an erecting representative and overtime services of an erecting representative at the work site of Citrus Reservoir, c. Liaison services at the Departments Sacramento headquarters, and
4. Loading and transportation of energy dissipating valve assemblies from SBVMWD Operations Center to Citrus Reservoir will be done by others. The stilling wells shown will be constructed by others.

Forms of bid and contract, drawings and specifications for the project may be obtained only at the Department of Water Resources (DWR), 1416 Ninth Street, Room 418, Sacramento, California, between the hours of 7:30 a.m.-12:00 noon and 12:30-4:00 p.m. or by mail upon written request to the Department of Water Resources, P. O. Box 942836, Sacramento, California 94236-0001, Attention: Jim Veres, Spec. No. 10-10, Telephone (916) 653-4867, Fax (916) 653-6166, or by e-mail at [doe\\_specs@water.ca.gov](mailto:doe_specs@water.ca.gov). Drawings and specifications may be seen at the above location or at the office of the Department at Lancaster Project Headquarters, 121 West Carriage Lane, Suite 101, Lancaster, California, 93534. Questions relating to bidding may be directed to the Contract Coordinator of DWR in Sacramento, at the contacts listed above. Questions or requests for clarification of the drawings or specifications shall be made in writing at least 10 days before the scheduled opening of bids. Response, if appropriate, will be furnished/sent to all prospective bidders on DWR Planholders List. A tour or meeting regarding the work site will be scheduled and conducted by the Department. **IT IS RECOMMENDED THAT INTERESTED CONTRACTORS ATTEND THE PRE-BID CONFERENCE.**

The Department encourages bidders to explore certification as a Small Business and/or Disabled Veteran Business Enterprise and to utilize certified Small Business and Disabled Veteran Business Enterprises during the contract term.

Contractor's license classification required for this work: N/A.

All bidders shall be prequalified by the Department. Bid documents will be furnished only to prequalified bidders who meet the requirements of the State Contract Act and Document 00040 Prequalification.

MARK W. COWIN  
Director of Water Resources
